## **An Elegant Tuscan Destination Wedding**

An elegant Tuscan destination wedding location, <u>Villa Tolomei Hotel & Resort</u> is located only a few minutes from the center of Florence, Italy, and the famous Ponte Vecchio. It is situated in the magical silence and greenery of a splendid Tuscan estate. The villa is surrounded by vineyards, olive groves and a beautiful garden. The villa features simply breathtaking views of Florence, the river Arno and the surrounding hills. It is truly a dream location for anyone planning an elegant Tuscan destination wedding.

The Villa Tolomei is the perfect location for a private, intimate wedding celebration. So we can see why Christian and Anna chose it for their elegant Tuscan destination wedding. The couple got ready in the stunning villa. Then, their outdoor ceremony took place under a magnificent old tree, with wonderful views of fabulous rolling hills as the stunning backdrop. The couple's elegant Tuscan destination wedding reception was also held outdoors. It surrounded a wonderful pool overlooking the city of Florence and the weather was absolutely beautiful. It was a magical day.

The images from Christian and Anna's gorgeous and elegant Tuscan destination wedding were provided by <u>Tuscania Events</u>. Since 2000 Tuscania Events has been arranging unforgettable destination weddings in Italy. Tuscania Events is the leading company specializing in the organization of civil and religious weddings for non-Italian citizens in the most fantastic venues of Italy.
